**Grant Requests Up to \$5,000**

Application Period Opens: Monday, August 25, 2025

### Purpose

The Sitka Legacy Foundation, an Affiliate of The Alaska Community Foundation (ACF), seeks applications from charitable organizations and programs in Sitka and surrounding rural communities. Grants may support a broad range of community needs, including, but not limited to health and wellness, education, the great outdoors, arts and culture, and community development.

Our community faces difficult decisions – how do we address basic needs and sustain our quality of life with less federal support? **This year, priority will be given to addressing challenges created by loss of federal funding.** Sitka Legacy Foundation's 2025 grant cycle focuses on meeting basic needs—food, housing, health, and safety, and encouraging creative, collaborative ideas that address service gaps and create a more resilient future. We're seeking proposals that go beyond temporary fixes and explore new ways of working together, sharing resources, and strengthening our systems. We encourage grant seekers to think beyond stopgaps and consider: *What could a better system look like? How can we work collectively to close the gaps left by reduced federal support?* Even in uncertainty, there is opportunity. Let's meet this moment with creativity, courage, and a shared commitment to care for our community in lasting ways. SLF accepts grant requests up to \$5,000.
